Evros Efrem was voted on as a committee member.

### **10. Fundraising.**

Wendy and Alfie have been around the markets, spoken to a few stall holders regarding fund raising for the darts league at the ambassador and if they were interested in a stall their response was quite negative.

People would rather give to a charity like CANCER HEART FOUNDATION HOSPICE ETC, they did suggest maybe putting flyers around asking for donations or anything that people don't want ie: books bric a brac and a phone number so we can collect.

Dalma at the queen Vic has kindly offered to have a fun day there with stalls raffle etc.

One of the customers there suggested a race night he will speak to Terry for us to see what it entails and if it could be set up at the Vic.

He will get back to Wendy and Alfie who will report back to the committee.

All ideas would be welcome.

**Next meeting Sunday 2<sup>nd</sup> November 2008. 9am at the Ambassador Restaurant.**
